

BEING LED BY THE SPIRIT

I choose to renew my mind with your word. As I renew my way of thinking to your way it is transforming my life. Thank you for leading me by your spirit. You said those who are led by your spirit are your sons and daughters.

I am yours and you are mine. You have given me your Holy Spirit to help me live my best life. As I keep my mind on you speak your word and lean on my Helper nothing shall be able to stop me. Thank you Jesus!
