

Speak To Your Body

I cover my mind and thoughts with the blood of
Jesus. I cover my door post and all my possessions
with the Blood of Jesus.

I Speak to my body, to function normally and at its
full capacity through the blood of Jesus.

Every organ, every white blood cell and every red
blood cell functions normally.

My body creates its own insulin.

My body is healed, my body is made whole
and I live in a healthy body.

All that I have declared is true and
will surely come to pass
in Jesus Name.

Amen.

Bless it be, the name of the Lord!
