

Believe What You Say

I am a believer and I do not doubt. For the Scripture says, "Whoever believes in Him will not be disappointed." I believe every word I speak in line with your word shall come to pass in my life. I will not allow my words to disappoint me because I only speak what I believe according to your word. I trust you, I believe you and I know I have what I say. I will never be put to shame. Therefore every word I speak will be in line with your will for my life. A healed body is your will. A sound mind is your will. All my needs being met is your will. Prosperity is your will. Peace and joy are your will for my life and I believe all these things are mine. I take them, I have them, I thank you for them and I believe.
